Field Trip to The Getty

My students need transportation for a field trip to The Getty Museum.

My Students

Our students spend two days a week with us and three days a week with their parents.

Although this is a great structure, they would benefit from more shared academic experiences with their peers.

They need to have more time to be together as students and enjoy some things outside of the classroom. Field trips are a way for our students to bond as an academic community.

My Project

Mrs. Elser

Grades 6-8

JCS San Diego Academy of Art and Science
San Diego, CA

Half of students from low-income households ?

Our academy focuses on art and science. Our students are creating their own art all the time; getting to visit this The Getty Museum would be a dream. Most of the students have never been to The Getty. The cost comes from transportation. We can make this field trip a reality with help paying for the bus. Students will get a fun bus ride together and then get to have a shared experience enjoying art at this famous museum.

We will be able to use our shared experience at The Getty to improve our writing and our art.

This trip will inspire creative and factual writing. It will also improve the quality of our fine arts program.

21 donors have given to this project.

This project will reach 70 students.
